

## WantBookPlus Installation Instructions

1. Download the Client software from the link on our web site [www.skeels.com](http://www.skeels.com)
2. Locate the file that has been downloaded, wb2skeels.exe on your hard drive and double-click on it. This will begin the installation process on your PC.
3. At the completion of the installation process, call Skeels to get your new User ID and Activation ID...310.639.7240 extension 260. These codes will enable you to complete the install of the software. The codes must be activated by Skeels in order for you to use them.
4. Start your Internet browser and minimize it when connected.
5. Locate the WantBookPlus icon on your desktop. Double-click the icon to finish the installation process. Follow the instructions of the Set-Up Wizard, entering your User ID and Activation ID when prompted.
6. Set Up will now install the database, downloading the files that contain the inventory data. This may take a few minutes.
7. Finished. You may now begin using our WantBookPlus program.
